

## **AIR FORCE IT COMMODITY COUNCIL CONTRACT VEHICLES**

### **DIGITAL PRINTING AND IMAGING (DPI)**

DPI product catalogs are located on Air Force Way II (AFWay II), which is a secured website. Contracts are currently awarded to Xerox, Lexmark, and HP. There may be potential subcontracting opportunities with these prime contractors.

### **CELLULAR SERVICES AND DEVICES**

The Air Force competitively awarded four (4) Blanket Purchase Agreements (BPAs) for the purchase of cellular services and devices. These BPAs provide a single enterprise-wide agreement with each major supplier of cellular services and devices, reducing significant contracting time for each base to negotiate their individual terms and conditions.

The Request For Proposals (RFPs) / Request For Quotes (RFQs) will not be posted on the Federal Business Opportunities website ([www.fbo.gov](http://www.fbo.gov)). There may be potential subcontracting opportunities with the prime contractors.

### **CLIENT COMPUTING AND SERVERS**

The Air Force competitively awarded four (4) BPAs for the purchase of desktop, laptop, and monitor products available on AFWay II. All prime contractors obtain General Service Administration (GSA) Federal Supply Schedule (FSS) contracts. The Request For Proposals (RFPs) / Request For Quotes (RFQs) will not be posted on the Federal Business Opportunities website ([www.fbo.gov](http://www.fbo.gov)). There may be potential subcontracting opportunities with the prime contractors.
